

# BLASTAR WHITEPAPER

V1

# ABSTRACT

IN 1984, WHEN HE WAS 13 YEARS OLD, ELON MUSK CREATED A VIDEO GAME CALLED "BLASTAR." THE GAME REQUIRES PLAYERS TO CONTROL SPACESHIPS, ARMED WITH FIVE LIVES, AS THEY NAVIGATE THROUGH A DANGEROUS SPACE FILLED WITH ALIEN FREIGHTERS, HYDROGEN BOMBS, AND NERVE-RACKING STATUS BEAM MACHINES.

IN 2024, A GROUP OF HEX ENTHUSIASTS DECIDED TO HONOR ELON MUSK AND THE CREATION THAT LAUNCHED HIS CAREER BY CREATING \$BLAST ON PULSECHAIN.

BLASTAR INTRODUCES NOVEL TECHNICAL FEATURES AND A UNIQUE TAX SYSTEM. THIS LITEPAPER PROVIDES A COMPREHENSIVE EXPLORATION OF BLASTAR'S TECHNICAL ARCHITECTURE, GOVERNANCE MODEL, AND THE INTRICACIES OF ITS TAX SYSTEM, OFFERING A DEEP DIVE INTO ITS FUNCTIONALITIES AND INNOVATION WITHIN THE BLOCKCHAIN SPACE.

# TECHNICAL FRAMEWORK

## PULSECHAIN INTEGRATION

PULSECHAIN, AN ETHEREUM FORK SPEARHEADED BY RICHARD HEART, IS THE BACKBONE OF BLASTAR. UTILIZING ETHEREUM'S STRONG INFRASTRUCTURE, PULSECHAIN PROVIDES A TRUE DECENTRALIZED ENVIRONMENT THAT IS IDEAL FOR EXPANSION AND DEVELOPMENT WHILE OVERCOMING ISSUES LIKE EXPENSIVE TRANSACTION FEES AND CONSTRAINED SCALABILITY.

## SMART CONTRACT ARCHITECTURE

THE NON-RENOUNCED, OPENLY ACCESSIBLE SMART CONTRACT FOR BLASTAR FUNCTIONS AS A TOKEN. EVERYONE IS FREE TO GO THROUGH AND EVALUATE THE INTERNALLY PRODUCED SMART CONTRACT FOR ITS WORTH NOW THAT IT HAS BEEN VALIDATED. NO BACKDOORS, NO SECRETS, NO PROBLEMS.

## SCALABILITY SOLUTIONS

BLASTAR DEVELOPS IN ACCORDANCE WITH HEARTS LAW AND MOVES WITH PULSECHAIN. SCALABILITY IS FURTHER AIDED BY THE COMMUNITY-DRIVEN METHOD, WHICH OFFERS USERS A SMOOTH AND EFFECTIVE MEANS OF COLLECTING PASSIVE \$PLS TOKENS AND INTERACTING WITH OTHER DAPPS INSIDE THE RAPIDLY EXPANDING PULSECHAIN ECOSYSTEM.

## ALGORITHMIC REDISTRIBUTION MODELS

USING AN INTERNAL REDISTRIBUTION MECHANISM, BLASTAR ASSURES A FAIR TAX DISTRIBUTION DEPENDING ON THE QUANTITIES THAT EACH LIQUIDITY POOL MEMBER HOLDS. IN ADDITION TO ENCOURAGING COMMUNITY INVOLVEMENT, THIS ALGORITHM, WHICH WAS CREATED BY KNOWLEDGEABLE EXPERTS WITH DECADES OF COMBINED EXPERIENCE WORKING ON SMART CONTRACTS, REWARDS HOLDERS CONTINUOUSLY.

# UNIQUE FEATURES

## SEMI-DECENTRALIZED GOVERNANCE

ALTHOUGH THE BLASTAR TEAM IS IN CHARGE OF MAKING DECISIONS, THE GOVERNANCE STRUCTURE IS DESCRIBED AS COMMUNITY-FOCUSED. THERE ARE CURRENTLY PLANS UNDERWAY TO INCREASE COMMUNITY PARTICIPATION IN GOVERNANCE, INCLUDING VOTING PROCEDURES.

## INTEROPERABILITY

BLASTAR'S NETWORK INTEGRATION IS DEMONSTRATED BY ITS AVAILABILITY ON PULSEX AND EXCLUSIVITY ON PULSECHAIN. INFLUENCER PARTNERSHIPS HIGHLIGHT SMART INTEROPERABILITY PROJECTS AND INCREASE EXPOSURE AND ACCEPTANCE.

THE PERFORMANCE OF THE TOKENS ON A BLOCKCHAIN DETERMINES ITS DEFINITION; IF \$BLAST PERFORMS WELL, PULSECHAIN AS A WHOLE DOES TOO.

# SMART CONTRACT ENHANCEMENTS

THE SMART CONTRACT FROM BLASTAR FUNCTIONS AS A TOKEN AND HAS INTERNAL SECURITY FEATURES THAT PRIORITIZE DEPENDABILITY AND TRANSPARENCY BEFORE ANYTHING ELSE. PREPARATIONS FOR A THIRD-PARTY AUDIT DEMONSTRATE AN ONGOING DEDICATION TO SECURITY PROTOCOLS. ASSUMING YOU HAVE THE NECESSARY SKILLS FOR READING SMART CONTRACTS, THE CONTRACT IS VALIDATED AND OPENLY ACCESSIBLE ON THE BLOCKCHAIN FOR EVERYBODY TO EXAMINE.

# BLASTAR'S UNIQUE TAX SYSTEM

BLASTAR'S TAX SYSTEM IS DESIGNED  
FOR SUSTAINABILITY AND  
COMMUNITY BENEFITS:

BUY TAX:

0% ON BUYS

BLASTAR IMPOSES NO TAX ON PURCHASES, ENCOURAGING USER  
ADOPTION AND PARTICIPATION.

SELL TAX:

30% ON SELLS

**BLASTAR IMPOSES A 30% TAX ON SELLS, WITH THE DISTRIBUTION AS FOLLOWS:**

**25% TO REDISTRIBUTION:**

DISTRIBUTED PROPORTIONALLY TO HOLDERS BASED ON THEIR TOKEN HOLDINGS.

**5% FOR DEVELOPMENT AND MARKETING:**

ALLOCATED TO FUND FUTURE DEVELOPMENTS AND MARKETING CAMPAIGNS.

## **TOKEN DISTRIBUTION**

**HOLDER DISTRIBUTION:**

86.44% IN THE HANDS OF HOLDERS.

**DIVIDENDS AND REWARDS**

THE 25% REDISTRIBUTION POOL IS DISTRIBUTED DIRECTLY PROPORTIONAL TO TOKEN HOLDINGS.

DIVIDENDS ARE RECEIVED IN PULSECHAIN'S NATIVE TOKEN, \$PLS.

## EXAMPLE:

IF A USER SELLS \$1000 WORTH OF \$BLAST, 30% GOES TO THE DIVIDENDS POOL.

OF THE \$300:

250 \$PLS GOES TO HOLDERS, DISTRIBUTED BASED ON THEIR HOLDINGS.  
50 \$PLS IS ALLOCATED FOR DEVELOPMENT AND MARKETING.

## CONCLUSION

BLASTAR IS AN ESTABLISHED NAME IN THE CRYPTOCURRENCY SPACE THANKS TO ITS STRONG TECHNICAL FOUNDATION, COMMUNITY-FOCUSED GOVERNANCE, STRATEGIC INTEROPERABILITY, SAFE SMART CONTRACT IMPROVEMENTS, AND NOVEL TAX STRUCTURE. AS THE FASTEST-GROWING PROJECT ON PULSECHAIN, BLASTAR'S JOURNEY IS MARKED BY TECHNICAL EXCELLENCE, COMMUNITY SUPPORT, AND A VISION ROOTED IN SUSTAINABILITY AND INNOVATION.
